Reference: IRIDIUM Satellite Compliance and Test Requirements for the EMA Blue Traker® LRIT Equipment

Subject: EMA Blue Traker® LRIT Certification

Based upon EMA fulfillment of all requirements as specified in the Reference Document (including any specific requirements which may have been waived by Iridium Satellite as specified below), Iridium Satellite LLC hereby certifies the following product for commercial use in connection with the Iridium Communications System:

Equipment Description:	EMA Blue Traker® LRIT Certification
Test description:	Testing based on Reference document
Test Report:	RPT_03598_EMA_LRIT_Test_Report.pdf
Specific Waived Requirements:	5.11, Step 5.0

This certification is limited in scope to the specific capabilities defined in the referenced specifications and successfully tested as described in the Test Description. This certification is subject to renewal when there are any deviations from the description of the equipment (e.g. Hardware upgrades).

In the event that a significant product defect (including a significant network or system defect which can reasonably be attributed to this Product) is identified subsequent to the issuance of this certification, Iridium Satellite reserves the right to withdraw this letter at any time. EMA shall cooperate with Iridium Satellite as necessary to evaluate the defect and to re-issue such Product certification.

Should you have any questions regarding this endorsement, please contact the under-signed at +1.301.571.6244.

Sincerely,

Le-Marie V.J. Thompson
